SUPPLEMENTAL Reported By VON EDWINS -219 GEORGE 8/03/16

On 8-2-2016 at approximately 1917 hours I responded to 1517 Lockheed in reference to a possible domestic disturbance in progress. The caller advised that her husband had cut himself with some glass and that he had a gun. The caller had barricaded herself in a bathroom and was stating that the male was attempting to make entry to the bathroom.

Upon my arrival I was assigned to a rear perimeter position. Myself and other officers took up a position by the 2/3 corner and help the backside of the residence in question until relieved by SWAT. Once I was relieved by SWAT I returned to the staging area. The SWAT commander requested that I remain on scene in case they needed a K9. Some time later I was released from the scene. No further action was taken by this officer or K9 Delta.

### Investigation

TUESDAY AUGUST 2nd, 2016

On Tuesday August 2nd, 2016 at approximately 2015 hours I was notified by Sgt Lugo ID 159 to respond to the intersection of Convair St SE and Martin Rd. reference a SWAT and CNT call out. I was informed that a male identified as Demarco Newman threatened his wife with a firearm and no one was able to make contact with him or his wife Amy Jones. Amy screamed on the phone before disconnecting with dispatchers. The condition of Amy and Demarco was unknown.

As part of CNT I was assigned scribe by Sgt Roberts ID 165. Numerous phone calls were made inside to both Amy and Demarco's cell phones but were unsuccessful. I was then ordered by Lt. Augello ID 139 to begin authoring a search warrant for 1781 Lockheed St SE.

SWAT eventually made contact with Amy and Demarco inside the residence. Amy stated that she was shot and unable to move. Amy also informed SWAT that Demarco sat next to her and was armed. SWAT made entry into the residence to extract Amy from the bathroom where she sat injured. Demarco was shot and killed as he presented a threat to law enforcement officers.

I completed a search warrant for the residence and had it signed by the honorable Judge Maxwell. I returned to the scene and presented the warrant to Brevard County Sheriff's Office (BCSO) Crime Scene as they conducted the search with the Florida Department of Law Enforcement (FDLE).

I remained on scene while FDLE conducted their investigation and while BCSO searched the residence.

THURSDAY AUGUST 4th 2016

On Thursday August 4th 2016 I responded to Holmes Regional Medical Center to retrieve a projectile that was recovered from Amy's spine as she endured surgery. I was provided an update of Amy's condition and learned that she is paralyzed from mid-chest to her feet. The nurse stated that Amy was able to use gross motor skills in her arms but lacked fine motor skills. I brought the projectile to the Palm Bay Police Department and entered it into Property and Evidence (R01).

On August 02nd, 2016 at approx 1917 hrs Palm Bay Police Department responded to 1781 Lockheed St Apt # D reference to an armed disturbance I was off duty enroute to my residence when I heard the call get dispatched I immediately recognized the address as being the home to the suspect Demarco Newman and his wife/victim, Amy Jones In 2013 I investigated a shooting at their residence where Newman was shot and subsequently paralyzed (DR #13-002420) According to dispatch Jones called in on 911 reporting that Newman had cut himself with a glass and indicated he wanted to have a shootout with the police Jones indicated she made her way into the bathroom As the 911 call continued Jones informed dispatch that Newman had forced his way into the bathroom Dispatch then heard Jones scream and the call disconnected

interview with Demarco Newman s sister Reba Newman who resides in Missouri Reba last spoke with Demarco approx one month ago. During that conversation Demarco complained he was having marital problems with Amy Jones. He indicated Jones would leave for months at a time and she was not taking care of him. He also complained that Jones was spending approx \$300 a day partying. Reba stated she did not have a good relationship with Jones. On several occasions during phone calls between Demarco and Reba Jones could be heard in the back ground yelling profane comments directed at her. According to Reba Demarco was in the process of moving back to Missouri.

#### ALEXIS SMITH INTERVIEW

On August 03rd, 2016 at approx 1600 hrs I conducted a phone interview with Demarco Newman s daughter Alexis Smith who resides in Missouri. According to Smith on August 02nd, 2016 at approx 1930 hrs she received a call from Newman. He sounded depressed and indicated he had shot and killed Amy Jones. Smith initially assumed Newman was under the influence of his pain medication and was delusional. Newman complained he was tired of Jones 'messing' with him. Smith could not hear Jones or the police in the background but Newman indicated the police was present. During the phone call Newman said his good-byes to Smith and made the comments I m tired I m done. The phone call lasted for approx three minutes then he disconnected the call.

According to Smith there have been several occasions in the past when she would call Newman and hear Newman and Jones arguing in the back ground. Newman used a certain type of equipment Smith referred to as 'walking sticks' which allowed him to dress himself. Newman often made complaints that Jones would deliberately move his walking sticks to be a nuisance. During several of Smith s calls to Newman Jones would purposely play loud music in the background to disrupt their conversation. Newman has also complained that Jones has stolen his money before and used the money to buy fancy rims for her car and personal tattoos.

During a conversation Smith had with Newman approx one week ago he complained that Jones was listed as his caregiver but she was never home to care for him. According to Smith Newman indicated Jones will leave and not come home for several days. Smith could not confirm if Jones was having relations outside her marriage. Smith stated to her understanding Newman and Jones were separated and he was making plans to move to Missouri so he didn t care if she was involved in another relationship.

I called Smith back and requested she look into her call log to locate the exact time Newman called her. This phone interview was unrecorded. According to Smith at 2022 hrs after noticing a missed call she called Newman. He answered and indicated he had shot Jones. The call lasted for approx two minutes then he disconnected the call. Smith called Newman back at 2029 hrs and he informed her of

the police present. He again indicated he had shot Jones and she was on the floor bleeding. This call lasted for approx two minutes before he disconnected. Smith conducted a series of call backs but Newman never answered the phone. Smith stated she called the Palm Bay Police Department at 2338 hrs to report the disturbing phone call. This call was unable to be confirmed.

TUESDAY AUGUST 09TH 2016

A computer check through this agency CAD system revealed that on July 07th 2016 Amy Jones contacted Palm Bay Police to report that she was being verbally threatened by Brittany Bunn (CES # 16-1890047). Jones complained that Bunn threatened to shoot her for having sex with her boyfriend, Adam Murray. It was unknown if Demarco Newman was aware of the allegations or if the allegations played a role in his behavior that lead to him shooting Jones.

#### BRITTANY BUNN INTERVIEW

On August 09th 2016 at approx 1820 hrs I conducted a recorded interview with Brittany Bunn at her residence located at 104 Orchid Rd in Melbourne. Bunn stated she has been dating Adam Murray on and off for approx seven years. She stated Murray and Demarco Newman were best friends. According to Bunn sometime during the month of June 2016 she drove by Murray's residence and saw Jones' vehicle parked in front of his residence. Murray later confided to Bunn that he was having sexual relations with Jones. Bunn stated that on or about July 04th 2016 she engaged in a verbal dispute with Jones over the phone. During the argument Jones admitted to having sex with Murray on multiple occasions. Due to the alleged affair Bunn and Murray ended their relationship for a few months but recently started back dating again.

Bunn stated to the best of her knowledge Newman was unaware of the alleged affair Jones had with Murray. According to Bunn Newman was still in love with Jones and she does not believe Newman would have agreed to Jones dating other men.

TUESDAY AUGUST 10TH 2016

#### BILLY HARDING INTERVIEW

On August 09th 2016 I conducted a phone interview with Demarco Newman's mother Billy Harding. The last time Harding spoke with Newman by phone was on or about July 20th 2016. During the phone call Newman was crying and indicated he wanted to return to Missouri. According to Harding Newman often complained that Amy Jones was spending his money on luxury items and she was not taking care of him properly. The victim also complained that Jones would intentionally move his equipment that allows him to get around and dress himself out of his reach. Harding stated Newman was also had suspicions Jones was having an affair which he accepted due to his physical limitations.

1-16-006701 (Continued)

During phone conversations between Harding and Newman Jones could be heard in the back ground calling Harding foul names Jones would also raise the radio volume inside the residence to disturb Harding and Newman's phone conversations

Harding stated Newman often made complaints that he wanted to end his life A computer check through this agency CAD system revealed that on January 17th 2014 Jones called the police to report that Newman was distraught and was making statements implying he wanted to end his life. (CFS # 14-0170091) Officers responded and Newman was subsequently Baker Acted

FRIDAY SEPTEMBER 09TH 2016

On September 09th 2016 at approx 1200 hrs I conducted an interview with Amy Jones at Holmes Regional Medical Center in Room # 411 Jones was unable to fully use her voice so majority of her conversation was unable to be captured on my recording device Jones briefly described the events that led to the shooting that occurred on August 02nd, 2016 at her residence

According to Jones earlier that day Demarco Newman called his friend who she was only able to identify as Vick Newman owned a 9mm handgun Newman previously gave the 9mm handgun to Vick Jones stated Newman called Vick requesting he give the 9mm back to him Vick refused to bring over the 9mm handgun At the time Jones did not know why Newman wanted the 9mm handgun but she thought the phone call was suspicious.

Newman previously made arrangements to move to Missouri without Jones to be near his family As the day continued, Jones and Newman engaged in a conversation regarding his move Newman asked Jones if she wanted him to stay with her in Florida or if she preferred he move to Missouri Jones stated when she told Newman she preferred he move Missouri he became irate and snapped Newman accidentally injured himself and began swinging blood around as he was in the living room She did not see a firearm in his possession at that time

Jones rushed into the bathroom to get her phone and purse She closed and locked the door behind her As she was calling the police Newman struck the bathroom door using a hammer until he created a hole in the center of the door Newman then reached through the hole and unlocked the bathroom door and stood in the doorway armed with a 25 caliber handgun Newman then shot her several times as he was standing approx four feet away in the doorway Newman then crawled into the bathroom armed with the handgun His dog also entered the bathroom also Jones stated they remained in the bathroom until the police made entry into the bathroom According to Jones as they were in the bathroom, Newman repeatedly made statements indicated he was going to make the police shoot him Jones could not remember some of the event that occurred in the bathroom due to her injuries

VICTOR ROSARIO INTERVIEW

On November 01st 2016 at approx 1745 hrs I conducted a phone interview with Victor Rosario who was referred to as Vick during Amy Jones interview Rosario has known the couple for several years and was previously employed together with Demarco Newman According to Rosario approx three weeks prior to the shooting Newman gave him a Hi-Point 9mm semiautomatic handgun to hold for safekeeping Newman complained that he and Jones had been arguing and made threats against each other Newman wanted Rosario to keep the firearm to prevent an incident from occurring

Approx two hours prior to the shooting Rosario received a phone call from Newman requesting Rosario to return the firearm back to him Newman sounded calm on the phone and did not appear to be in any distress Rosario agreed to return the firearm to him at a later time The shooting occurred before Rosario could return the handgun to him

Rosario stated he has witnessed several arguments that occurred between Jones and Newman following Newman's 2013 shooting According to Rosario most of the arguments were related to Jones going out and not returning home until the following day They also argued over financial issues On one particular argument that he witnessed he heard Jones yell something to the effect You want to shoot me? Well go ahead and shoot me! This gave me reason to believe that threats involving firearms were made at times during their arguments
